

FIRST CLASS COMFORT & STYLE

FEATURES

**Comfy in Style:** With Cooler Master Mystery Gamer/Halo, and the iconic vibrant halo design on a durable 3mm thickness of 100% natural rubber, you get the comfort for your feet while having the cool graphic to highlight your room deco.

**Splash-proof Surface:** Drink worry-free! Any and all fluids don’t absorb into the mat, prolonging its life and preventing “gamer stank.”

**Anti-Fray Stitching:** Extends the life of your pad by preventing peeling around the edges.

The Cooler Master FM510 Floor Mat is designed to be part of the Cooler Master setup eco-system to provide a great daily gaming comfort for your body, and your feet are not an exception. By using the high quality water repellent coating on the 100% natural rubber, you are getting the same level of the premium texture as our mousepad but in a 10 times larger scale.

The anti-fray stitching keeps your floor mat neat and tidy for generations of battles to come as well as the smooth nylon blend ensures you stay still and firm in the chaos of war.
