Key Selling Point 1	Print thousands of high-quality pages from one simple purchase of a set of Original HP high-yield Ink bottles-at an extremely low cost per page. ¹
Key Selling Point 2	High-yield ink bottles are the perfect match for busy households and small businesses that want to purchase ink infrequently and replenish ink when it's convenient.
Key Selling Point 3	Count on reliable performance- Original HP inks are designed to deliver exceptional prints, every time.
Footnote 1	1 HP ink bottles compared to HP ink cartridges. Cost per page based on expected black and composite (cyan/magenta/yellow) page yield results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see hp.com/go/learnaboutsupplies .
