

Pro Fit™ Ergo KM675 EQ Wireless Desktop Set

Reduced environmental impact and comfortable productivity.

K75492US

Product Description

For professionals wanting to elevate their productivity and reduce the fatigue associated with spending long hours typing and scrolling each day, the Pro Fit™ Ergo KM675 EQ Wireless Desktop Set supports all-day comfort and productivity with style. Built with your wellbeing in mind, the ergonomic designs promote proper hand and wrist posture, ensuring a typing and scrolling experience that is as effortless as it is comfortable. Complementing a modern workspace, the Pro Fit™ Ergo Wireless Desktop Set is an ideal choice for professionals seeking to elevate their workspace with style, comfort, and performance.

Features

- Compact ergonomic keyboard with curved key layout, built-in wrist pad, and front keyboard legs.
- Full-size vertical ergonomic mouse with silent switches, DPI control (1000/1600/2400), and left, right, forward, back, and scroll/middle-click buttons.
- Set composed of 43% post-consumer recycled (PCR) content of total plastic components. Excludes printed circuit board (PCB) assembly, rechargeable batteries and charging cables.
- Supports up to three devices—two via Bluetooth® connections and one via the 2.4GHz USB-A receiver.
- Windows and macOS compatible.
- Keyboard includes customizable keys, video conferencing keys, and RGB indicators for connection status, caps lock, and battery life.
- Includes built-in 500mAh rechargeable batteries with USB-C® charging ports and cables.
- 3-year limited warranty.
- This product is designed to comfortably fit users with small to average-sized hands.
- Windows ARM-based computers are currently not supported. Please check back for future updates on compatibility.
