Carry your tech anywhere with the 15-16" Work+™ EcoSmart® Backpack — a modular, 2-in-1 pack that seamlessly adapts to your every whim.

Easily store, organize, and haul your devices and small accessories — in or out of the bag — thanks to the detachable tech organizer. Complete with a secure magnetic clasp, your laptop and tablet are secure for the long haul, yet ready in a pinch.

Ultimately adaptable, it even sports our Multi-Flex™ Strap, an adjustable safety and security strap that converts from a sternum strap to a trolley strap, to a security or utility strap, depending on your needs.

With flexible space management, the capacity in the rear and front compartments is interchangeable. It also sports lockable compartments and a hidden side pocket for those must-have items. And, it even has an expandable side pocket — perfect for your water bottle or trusty tripod; plus, a soft-lined top access pocket for a touch of luxury to your daily grind.

But it's not just versatile; it's planet-friendly too. Crafted with recycled materials, including the equivalent of seven water bottles, it's a small step for you, a big win for the Earth.
