HP 70 Printheads

Print gallery-quality photos on virtually any media with long-life printheads. HP's breakthrough inkjet technology – with HP Vivera pigment inks – is ideal for professional photographers and ensures HP quality and reliability.

- Print gallery-quality photos every time – more nozzles mean increased ink drop accuracy for higher-quality prints.
- HP 70 Printheads – part of HP's Scalable Printing Technology – are designed to deliver fast, productive printing.
- Get a hassle-free experience, with long-life HP printheads that are easy to use and manage.

Designed for professional photographers who want high-quality prints to display and sell, and are aware of the benefits of HP Vivera pigment inks. These customers will recognise the superior quality of original HP printheads.
